

Name of the Agency
Cancer Care Foundation of Tidewater
Description
<p>Non-medical assistance to cancer patients throughout Tidewater. Cancer Care Foundation of Tidewater is a small, local not-for-profit organization.</p> <p>Our mission is to identify and fulfill the personalized needs of Tidewater cancer patients and their families. Our three core programs include the Acts of Kindness program, Direct Patient Assistance (Humanitarian Grants) program and Community Awareness and Wellness Events. Each of these essential programs accommodates the needs of local cancer patients & their families providing individualized non-medical support. The Acts of Kindness program is a volunteer network of over 500 caring individuals, many of whom are survivors themselves, dedicated to performing small acts of kindness and generosity toward patients who are enduring chemotherapy and radiation treatments at 12 Virginia Oncology facilities throughout Tidewater.</p>
